- Earn 1 point for every dollar spent before taxes with most purchases...even sale items. You can even start earning points right now when you join today.
- Watch your rewards grow. Your current points total can be found at the bottom of your receipt or just ask a cashier.
- Redeem your points just like cash for plants, gift items, and most merchandise during the two annual redemption periods which occur during June-Aug. and Dec.- Feb.
- Your rewards earning period begins March 1st of each year. Any unused points will expire at the end of every February.
- Certain bagged items, services, and bulk items (Like rocks, mulches, straw bales, soils, sod, etc.) are excluded. Points do not accrue for these, nor can points be redeemed on their purchase.
- Points are not earned when you purchase an ONLC gift card; however, you can earn points when you purchase points-eligible items using a gift card
- Email is how we communicate with you. Please keep your email address current to be notified when redemption time begins. Please know that your information will be kept confidential. Program members will automatically receive the ONLC newsletter (about 9 per year). If you do not want this, simply tell the cashier that you want Rewards emails only & nothing else.
